Description

During the course we will use various methods such as print, collage, and cut and torn paper to build repeat and random pattern. Media will include acrylic paint, water colour, inks, crayons and fine liner pens. Imagery will be further embellished with found items, beads and stitching. This will be an opportunity to practise skills you may already have but not used for a while and to refine your use of a variety of media. At the end of the workshop you will have a full sketchbook to inspire creative embroidery.
